Term 1  
Edition

## Welcome to Mighty Marine!

Dive into a world where learning flows like the ocean and every wave brings new adventures! Our young learners explore with curiosity, imagination, and teamwork. Each day, they discover the joy of learning through creativity, compassion, and courage. Together, we sail through new experiences, celebrate achievements big and small, and make every moment in Grade 1 a splash of fun and discovery!

-Team Mighty Marine

# A peek into our classroom

At Mighty Marine, each day begins with curiosity and adventure! Our little sailors follow the Morning Routine Board, take charge of their Classroom Jobs, and explore the Quiet Reading Nook like hidden treasure spots. These daily routines help them build confidence, independence, and a love for learning, making every moment in Grade 1 a fun and exciting voyage of discovery!

# Joyful Arrival

Each morning at Mighty Marine begins with laughter, music, and movement! We greet every child warmly at the door, and sometimes our young explorers take the lead, sharing smiles and cheer. We sway to music, tell stories, and express ourselves through art and creative activities. These joyful moments help children feel welcomed, confident, and ready to dive into learning with curiosity and happiness.

# Our Learning

## Math

Students explored mathematical concepts through a hands-on activity using colourful manipulatives such as the Place Value kit. Engaging in this interactive session, they built numbers, solved addition problems, and compared quantities in a fun, visual way. The use of manipulatives helped students connect abstract ideas to real-world understanding, encouraging teamwork, problem-solving, and active participation. The activity not only strengthened their conceptual understanding but also made learning Math exciting and meaningful!

## English

Students participated in captivating English Language activities that enhanced their reading, writing, listening, and speaking abilities. Through storytelling, word games, and creative writing exercises, they broadened their vocabulary and articulated their ideas with confidence.

Interactive sessions such as picture composition, role play, and phonics games made learning both enjoyable and impactful.

These activities fostered creativity, honed communication skills, and nurtured a genuine love for the English language among children.

# Our Learning

## Sciences

Our enthusiastic scientists have been actively investigating their surroundings through engaging and hands-on Science activities. They observed, questioned, and uncovered the workings of nature. Through straightforward experiments, model-making, and observation walks, students gained insights into plants, animals, weather, and the five senses. These interactive experiences fuelled their curiosity and bridged classroom learning with the real world. Science truly came alive as they explored, experimented, and revelled in the joy of discovery!

## Global Perspectives

In Grade 1, our learners explored the world around them through Global Perspectives. They learned about different cultures, communities, and environments—valuing similarities and respecting differences. Through discussions, stories, and hands-on activities, they built empathy and open-mindedness. A special highlight was when grandparents visited to share their childhood memories and traditions, helping children connect learning to real life. Each session encouraged them to think critically and act kindly—growing as responsible global citizens.

# Our Learning

## Hindi

हिंदी दिवस" पर विद्यार्थियों ने कविताओं का प्रस्तुतीकरण किया, जिससे उनके सुनने और बोलने के कौशल में वृद्धि हुई।  
हिंदी को सरलता से सीखने के लिए उन्होंने नए शब्दों का अध्ययन किया और उनके अर्थ व उपयोग पर चर्चा की।

## Gujarati

બાળકોને ન, મ, ગ, જ જેવા મૂળાક્ષરોનો પરિચય કરાવવામાં આવ્યો. તેઓએ આ અક્ષરોનો ઉપયોગ કરીને શબ્દરચના તથા વાક્યરચનાની પ્રવૃત્તિઓ સફળતાપૂર્વક કરી. રમૂજી વાર્તાઓ, ભાષાકીય રમતો અને સર્જનાત્મક પ્રવૃત્તિઓ દ્વારા બાળકોના શ્રવણ, કથન, વાંચન તથા લેખન કૌશલ્યમાં નોંધપાત્ર વૃદ્ધિ જોવા મળી. આ પ્રક્રિયા તેમની ભાષાકુશળતા અને સર્જનાત્મક અભિવ્યક્તિને વધુ મજબૂત બનાવે છે.

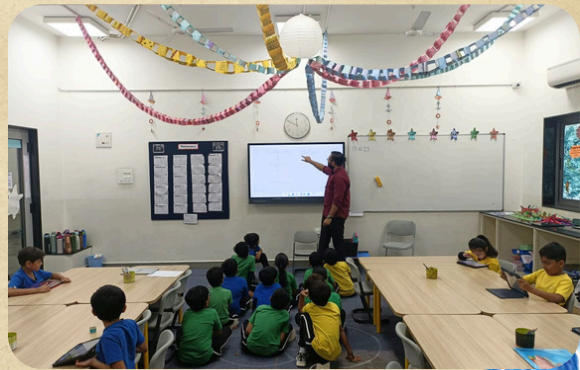

# Our Learning

## French

Our little language explorers had great fun learning French! They now know numbers, colours, and how to introduce their family and friends. With cheerful songs, games, and actions, children happily entered the colourful world of the French language and culture!

## ICT

During ICT, our Grade 1 learners discovered how to be safe, responsible, and kind digital citizens. They had great fun learning the basics of coding through exciting games with Angry Birds, Rey, and BB-8! While playing, they also learned how to give step-by-step instructions to a computer—just like young coders!

# Our Learning

## Arts

Grade 1 students explored fundamental art concepts such as shapes, lines, and patterns. Through guided activities, they demonstrated creativity, focus, and observation skills. Each artwork reflected their growing confidence in expressing ideas visually and independently.

## Sports

Grade 1 students participated in sports activities including volleyball, football, and cricket. These sessions helped them develop gross motor skills, strength, balance, coordination, and teamwork. Students actively engaged in each sport with enthusiasm and a positive attitude.

# Our Learning

## Karate

Grade 1 students engaged in Karate sessions that focused on basic techniques, self-discipline, respect, and body control. These sessions contributed to the development of physical strength, balance, coordination, and confidence, supporting their overall physical and mental well-being.

## Yoga

Grade 1 students participated in Yoga sessions where they practised a range of asanas designed to promote balance, concentration, body flexibility, and mindfulness. These sessions supported their physical well-being and emotional regulation by encouraging calmness and mental clarity.

# Our Learning

## Lego

Grade 1 students were introduced to LEGO Robotics using the KUBO platform. Through structured, hands-on coding and building tasks, students enhanced their logical reasoning, problem-solving skills, and collaborative learning abilities. These activities supported early computational thinking and fostered creativity in a technology-rich environment.

## Music

Grade 1 students participated in music sessions that focused on learning Baal Geet through rhythm, melody, and coordinated movement. These activities supported their emotional expression, cultural awareness, and musical development, fostering confidence, creativity, and joyful participation.

# Assemblies

## Kindness to underwater animals

Our young learners presented a thoughtful assembly on “Kindness to Underwater Animals.” Through songs, stories, dances, and poems, they shared the importance of caring for marine life and keeping our oceans clean. The children beautifully conveyed how small actions—like reducing plastic use and protecting sea creatures—can make a big difference. It was a wonderful reminder to treat all living beings with love, respect, and kindness.

## Teacher’s day mass assembly

On 5th September, our school came alive with gratitude and joy as we celebrated Teachers’ Day — a special occasion to honour the guiding lights who nurture young minds with love, patience, and wisdom. Teachers were greeted with handmade cards, flowers, and warm smiles, making the day truly memorable. The celebration reminded everyone of the words of Dr. Sarvepalli Radhakrishnan — “Teachers should be the best minds in the country.”

# Celebrations

## Saraswati Puja

The new academic session began with the serene celebration of Saraswati Puja. Students offered prayers and flowers to seek the blessings of Goddess Saraswati. The day filled the school with positivity, peace, and the promise of a year filled with joyful learning and new beginnings.

## Independence Day

This year's theme for our Independence Day celebration was Kindness Week. Our young learners spent the days spreading kindness — thanking maasis, helping teachers, and appreciating friends. Through small, heartfelt actions, they learned that freedom shines brightest when shared through empathy, love, and care for others.

# Events

## Be Kind, Be You

Our school celebrated Kindness Week with the theme “Be Kind, Be You!” Students participated in various activities and presentations that highlighted the importance of being kind in words, actions, and thoughts. Through songs, stories, and role plays, they shared simple ways to spread kindness – from helping friends to showing gratitude to teachers and family. The week encouraged everyone to remember that even small acts of kindness can make a big difference. It was truly heartwarming to see our young learners embrace empathy, respect, and compassion in their everyday actions.

## MLV

During the Making Learning Visible presentation, students showcased their learning from Term 1 through engaging activities and hands-on demonstrations. They confidently shared their understanding with parents, turning learning into a joyful experience filled with creativity, curiosity, and pride.

# Class Shoutouts

## **Viaana Boda**

She is a very polite and kind-hearted child. She always speaks gently and is good-mannered with everyone. In class, she loves to help her friends whenever they need support. She shares her things happily and makes sure everyone feels included. Her helpful nature makes the classroom a happier place.

## **Dhyanam Chandarana**

Dhyanam is a very attentive and curious learner. He listens carefully and always focuses during lessons. At the same time, he is cheerful and enjoys playing with his friends. His playful nature brings joy and laughter to the class. Dhyanam balances learning and fun beautifully every day.

## **Kiaan Dobariya**

Kiaan is a responsible and dependable student. He takes his classroom duties very seriously. He makes sure every task is done on time. Kiaan sets a good example for his classmates. His dedication helps keep the class organised and happy.

## **Vivaan Patadiya**

Vivaan set a goal to make new friends and worked towards it happily. He enjoys spending time with others and being kind. Vivaan follows all the class rules sincerely. He loves to share what he knows with his friends. His helpful nature makes him a wonderful classmate.

# Fun Zone

## Riddle 1

I have numbers on my face and  
two hands that move.  
I tell you when it's time for class.

## Riddle 2

I open when it rains and close  
when it's sunny.  
I help keep you dry.

## Book

### Book of the Month:

*Ebb's New Friend* by Laura Mucha and Lauren Ace is a story where Ebb learns about friendship, sharing, and love. A gentle story that helps children understand emotions, kindness, and the joy of making new friends.

## Movie

### Movie of the Month

"The movie 'Best Friends' is a beautiful film that highlights the importance of communication, empathy, and friendship. It encourages children to express their feelings and cherish the bonds they share.

## Upcoming:

- Night Out on 05.12.25
- Poetry Fest on 08.12.25
- Day Out on 19.12.25
- Christmas Celebration on 24.12.25

## Reminder:

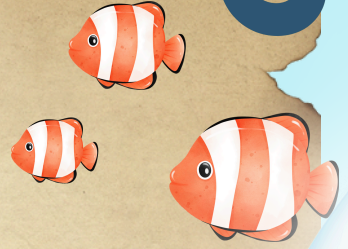

Remember to read a book for at least 20 minutes daily! Keep the spark alive—hop onto Mind Spark every week!

## Answers:

Riddle 1  
A clock  
Riddle 2  
An umbrella

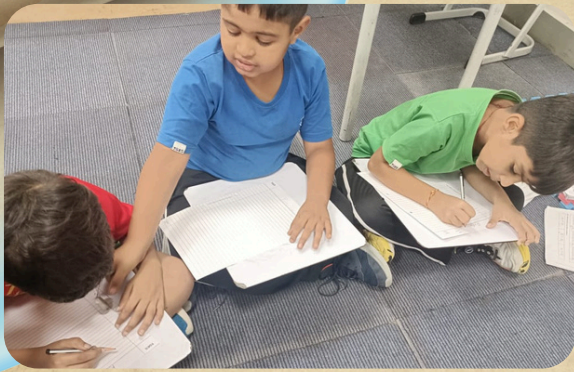

# Visual Vibes

# Student Reflections

"I love being a Mighty Marine! Every day, I learn something exciting and discover new things about the world around me. I enjoyed our stories, fun activities, and working together with my friends. Grade 1 is full of adventures!" – **Ziaan.**

"I learned to read new words and write beautiful sentences! I also learned how to share, be kind, and help my classmates. I loved our art time, games, and all the fun we had in class. I'm proud to be a Mighty Marine!" – **Tirth**

## From the Teachers' Desk

### Dear Parents,

As we sail into Term 2 with our Mighty Marines, our hearts brim with pride and happiness as we reflect on how wonderfully our young learners have grown. The past term was filled with countless moments of curiosity, discovery, and joy – those bright "Wow!" and "I did it!" moments that make learning such an exciting adventure.

We have seen our Mighty Marines become more confident, independent, and enthusiastic learners. Whether it was exploring new stories, expressing their creativity, or showing kindness and teamwork, each child has made beautiful progress. Their energy and eagerness remind us that learning truly comes alive when it's guided by wonder and joy.

As Term 2 begins, we look forward to more laughter, exploration, and meaningful experiences together. New challenges and discoveries await, and we can't wait to watch our Mighty Marines continue to shine in all they do.

Thank you, dear parents, for your constant trust and partnership. Your encouragement and support help our little learners thrive every single day. Stay tuned for more glimpses of their adventures, achievements, and smiles in our upcoming newsletters!

– **Team Mighty Marine**
