

Blooming Buds'

# The Safari Scroll

Term 1  
Edition

Welcome to Blooming Buds,

Where every child blossoms with joy, learning, and laughter! Here, curiosity blooms, creativity sparkles, and kindness fills our days. Together, we nurture young minds, celebrate every milestone, and make each moment of Grade 1 a beautiful garden of growth and discovery.

-Team Blooming Buds

# A peek into our classroom

In Blooming Buds,

Every day begins with smiles and enthusiasm! Our little learners greet the morning with joyful energy, take pride in their Classroom duties, and enjoy peaceful moments in the Reading Corner. These everyday experiences help them grow with confidence, compassion, and a lifelong love for learning.

# Joyful Arrival

Every morning at Blooming Buds is filled with laughter, music, and movement! A teacher greets each child warmly at the door, and occasionally, our little ones take the initiative by sharing smiles and joy. We engage in dancing, singing, and expressing our ideas through music, stories, and art. These delightful beginnings ensure that every child feels cherished, confident, and prepared to flourish in a new day of learning.

# Our Learning

## Math

Students delved into mathematical concepts through engaging, hands-on activities utilizing colourful manipulatives like counters, cubes, and number cards. During this interactive session, they constructed numbers, tackled addition and subtraction challenges, and compared quantities in a vibrant and enjoyable manner. The use of these manipulatives allowed students to bridge abstract ideas with real-world applications, fostering teamwork, problem-solving skills, and active involvement. This activity not only enhanced their conceptual grasp but also transformed Math into an exciting and meaningful learning experience!

## English

Students participated in engaging English language activities that enhanced their reading, writing, listening, and speaking abilities. Through methods such as storytelling, word games, and creative writing exercises, they broadened their vocabulary and expressed their ideas with confidence. Interactive sessions, including picture composition, role play, and phonics games, contributed to a joyful and meaningful learning experience. These activities not only fostered imagination but also developed communication skills and nurtured a love for the English language among the children.

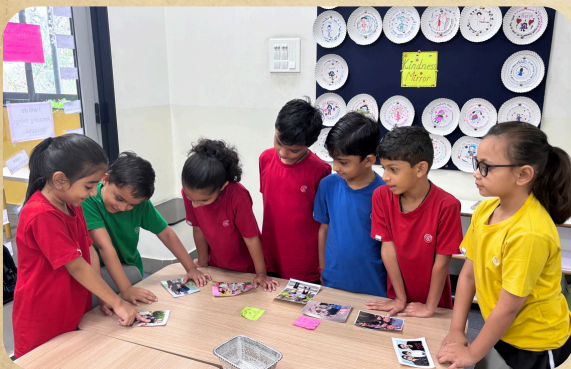

# Our Learning

## Sciences

Our eager Grade 1 scientists have been immersing themselves in their surroundings through fun and interactive Science activities. They have observed, questioned, and discovered the intricacies of nature. By engaging in simple experiments, crafting models, and embarking on observation walks, students have explored topics such as plants, animals, weather, and the five senses. These hands-on experiences nurtured their curiosity and connected classroom lessons to the real world. Science truly came alive as they explored, experimented, and delighted in the thrill of discovery!

## Global Perspectives

In Grade 1, our young learners are cultivating an awareness of the world around them through Global Perspectives. They investigate diverse cultures, communities, and environments, learning to appreciate both similarities and differences. Through engaging discussions, stories, and hands-on activities, students develop empathy, cooperation, and open-mindedness. Each lesson inspires them to think critically, care deeply, and act kindly—nurturing responsible global citizens prepared to make a positive impact in their world.

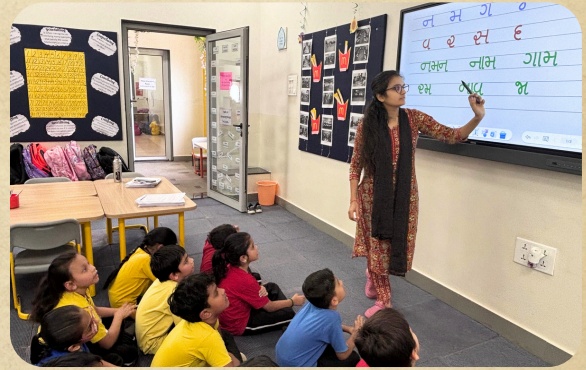

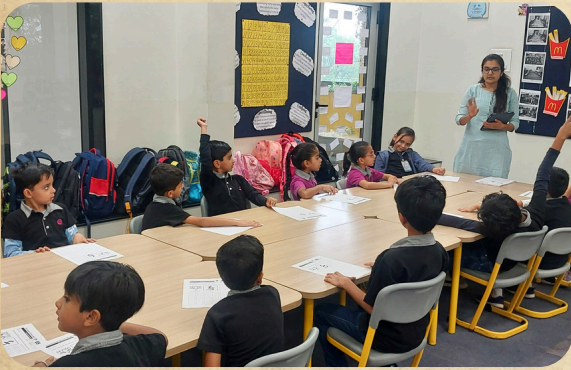

# Our Learning

## Hindi

हिंदी दिवस" के अवसर पर आयोजित कविता प्रस्तुति गतिविधि में विद्यार्थियों ने अपनी भाव-अभिव्यक्ति और उच्चारण स्पष्टता के साथ कविताएँ प्रस्तुत कीं। इस गतिविधि से उनके श्रवण, बोलने और भाषा अभिव्यक्ति कौशल में उत्कृष्ट विकास देखने मिला।  
हिंदी भाषा का सहज अधिगम कराने के लिए विद्यार्थियों ने नए शब्दों का संग्रह (शब्द भंडार) तैयार किया तथा उन शब्दों से संबंधित जानकारियों पर समूह चर्चा भी की।

## Gujarati

બાળકો ન, મ, ગ, જ જેવા અક્ષરોને ઓળખી શકતા થયા અને તેમના દ્વારા શબ્દ તથા વાક્ય રચના શીખી. વાર્તાઓ અને રમતિયાળ પ્રવૃત્તિઓએ તેમને સાંભળવું, બોલવું, વાંચવું અને લખવું — ચારેય કૌશલ્યોમાં નિપુણ બનાવ્યા. સાથે, ભાષા અને સર્જનાત્મક શક્તિનો વિકાસ પણ થયો.

# Our Learning

## French

Learners were introduced to the basics of the French language. The learning focused on numbers, colours, and simple introductions involving family and friends. Through structured activities, songs, and interactive tasks, students developed an interest in the French language while gaining cultural awareness.

## ICT

In ICT, students learned how to be safe and kind digital citizens. They also began coding through fun, hands-on games with Angry Birds, Rey, and BB-8, discovering how to give simple computer instructions!

# Our Learning

## Arts

Little artists at work!

Our learners explored shapes, lines, and patterns, turning simple ideas into beautiful artworks.

Every stroke reflected imagination, focus, and the pure joy of self-expression!

## Sports

Sports Fun in Grade 1!

Our young athletes explored volleyball, football & cricket with full energy and team spirit!

From building strength and coordination to enjoying playtime on the field — every game brought smiles, confidence & fun!

# Our Learning

## Karate

### Karate Time!

Our young warriors practised Karate with focus, discipline, and energy!

With every move, they built strength, confidence, respect, and self-control—growing stronger inside and out!

## Yoga

Our young yogis practised calming *asanas* that built balance, focus, relaxation, and mindfulness.

A beautiful blend of a healthy body and a peaceful mind!

# Our Learning

## Lego

Our young innovators learned to build, code & solve challenges through fun hands-on activities. KUBO helped them grow in creativity, logic, and teamwork — making technology learning exciting and joyful!

## Music

Our young musicians enjoyed learning Baal Geet with rhythm, melody & movement! They sang with joy, expressed emotions, and celebrated culture through music — filling the class with harmony and happiness!

# Assembly

## Grade 1 Assembly – Dosti: A Bond Forever

The little Blooming Buds of Grade 1 presented a heartwarming assembly on the theme *"Dosti: A Bond Forever."* The assembly beautifully showcased the true essence of friendship through a lively skit, soulful poems in Hindi and English, a creative 'Friendship Tree' activity, and an energetic dance performance. The young performers expressed how kindness, sharing, and understanding make friendships strong and special. Their cheerful smiles and touching messages reminded everyone that friendship knows no boundaries and is truly a bond forever.

# Celebrations

## Saraswati Puja

The new academic session began with the serene celebration of Maa Saraswati. Students offered prayers and flowers to seek the blessings of Goddess Saraswati. The day filled the school with positivity, peace, and the promise of a year filled with joyful learning and new beginnings.

## Independence Day

This year, our Independence Day bash was all about a "Kindness Week" extravaganza! Our pint-sized heroes were busy spreading kindness like confetti—showering gratitude on *maasis*, lending a hand to teachers, and showering friends with appreciation. With each tiny act of heartwarming goodness, they discovered that freedom glows the brightest when it's wrapped in empathy, love, and a sprinkle of care for everyone around.

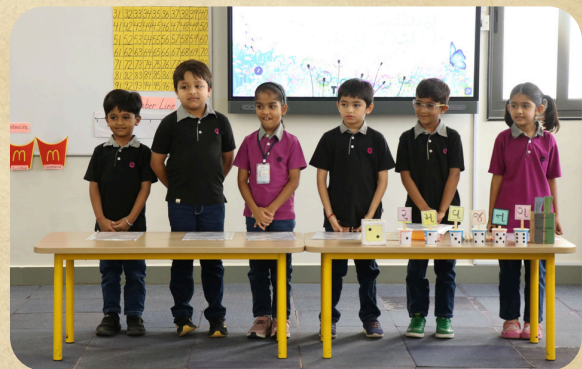

# Events

## Our Blossoming Highlights

The learners of Blooming Buds proudly shared their Wow Moments from Grade 1, reflecting on the activities and experiences they enjoyed the most throughout the term. With bright smiles and sparkling confidence, each child spoke about their favourite classroom memories — from fun learning sessions and creative projects to games, celebrations, and hands-on activities. Their excitement was evident as they described the friendships they built, the challenges they overcame, and the achievements that made them feel proud. It was a heart-warming presentation that showcased their individuality, enthusiasm, and love for learning.

## MLV

At the Making Learning Visible event, students unleashed their Term 1 knowledge with flair! They dazzled with interactive activities and live demos, making their learning a delightful spectacle. Parents were treated to a joyous display of creativity, curiosity, and beaming pride as the young scholars eagerly shared their newfound wisdom.

# Class Shoutouts

## **Naksh Changela**

Naksh is nominated for the Learner Profile attribute of being Reflective as he listens carefully and stays attentive during discussions. He shares thoughtful responses and connects ideas with clarity and understanding. His awareness and active participation make classroom conversations more meaningful and engaging for everyone.

## **Kiyanshi Jadeja**

Kiyanshi is nominated for the Learner Profile attribute of being Respectful, as she consistently uses polite words and displays good manners in all her interactions. She listens attentively, speaks kindly, and treats everyone around her with courtesy. Her gentle and considerate nature makes her a delight to be around and a role model for her peers.

## **Rihaan Ladani**

Rihaan is nominated for the Learner Profile attribute of being Caring, as he is always ready to help his friends and classmates with a warm smile. He shows kindness and empathy in his actions, ensuring everyone feels included and supported. His helpful nature and thoughtful gestures make him a wonderful friend and a valued member of the class.

## **Ananya Vachhani**

Ananya is nominated for the Learner Profile attribute of being Principled as she consistently abides by rules and meets expectations with integrity. She demonstrates responsibility, honesty, and a sense of fairness in all her actions, setting a positive example for her peers.

# Fun Zone

## Think Zone

### Riddle 1

I have numbers on my face and  
two hands that move.

I tell you when it's time for class.

### Riddle 2

I open when it rains and close  
when it's sunny.

I help keep you dry.

## Book

### Book of the Month:

'Ebb's New Friend' by Laura Mucha and Lauren Ace is a story where Ebb learns about friendship, sharing, and love. A gentle story that helps children understand emotions, kindness, and the joy of making new friends.

## Movie

### Movie of the Term

The movie 'Best Friends' is a beautiful film that highlights the importance of communication, empathy, and friendship. It encourages children to express their feelings and cherish the bonds they share.

### Upcoming:

- Night Out on 05.12.25
- Poetry Fest on 08.12.25
- Day Out on 19.12.25
- Christmas Celebration on 24.12.25

### Reminder:

Remember to read a book for at least 20 minutes daily! Keep the spark alive—hop onto Mindspark every week!

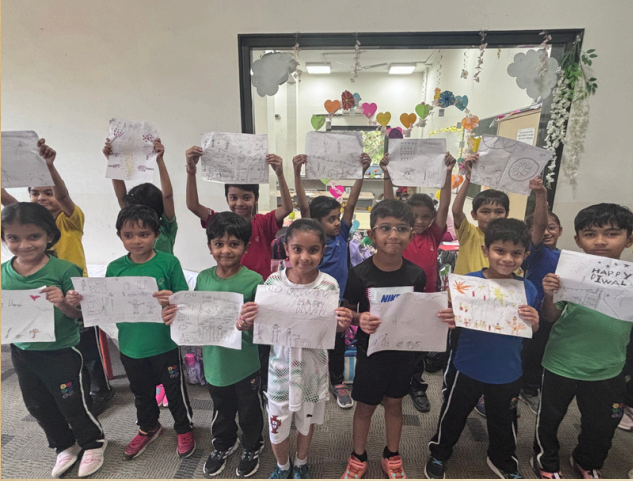

### Answers:

Riddle 1  
A Clock  
Riddle 2  
Umbrella

## Student Reflections

"I love coming to school! I learned new songs, stories, and so many new things. I like playing, painting, and working with my friends." – **Tanmay Chothani**

"I learned to write neatly, read small books, and count numbers. I like our circle time and fun activities in class. School makes me happy!" – **Medhansh Nathwani**

"I like to learn new words and do crafts. I love story time, music, and playing in the garden with my friends. I enjoy coming to school every day!" – **Dhervi Changela**

## From the Teachers' Desk

As we step into Term 2 of Grade 1, our hearts are filled with pride and joy, reflecting on how beautifully our little learners have grown. The past term was sprinkled with countless "aha!" and "oho!" moments—those sparkling instances of discovery, laughter, and pure excitement that make every day in the classroom so special.

We have watched our children become more confident, expressive, and eager to explore the world around them. From reading new stories and solving challenges to showing empathy and teamwork, each child has taken wonderful strides forward. Their enthusiasm reminds us daily that learning is most meaningful when it's filled with curiosity and joy.

With the beginning of Term 2, we look forward to even more smiles, stories, and growth. New adventures await, and we're excited to see our learners continue to shine brightly in all that they do.

Thank you, dear parents, for being our constant partners in this journey. Your encouragement, trust, and support make all the difference. Stay tuned for our next newsletter as we bring you more glimpses of learning, laughter, and love from our vibrant Grade 1 classrooms!
