The Safari Scroll

Term 1
Edition

"Exploring, Dreaming, and Soaring Together!"

Dear Parents,

Welcome to Cloud Kingdom, where the sky is the limit! ☀️ Our little explorers have begun their learning safari with excitement, curiosity, and joy. Each day is filled with discovery, teamwork, and creativity as we celebrate every small step of growth.

With your support, we look forward to a year of fun, learning, and soaring high together!

Warm regards,
-Team Cloud Kingdom

A peek into our classroom

In Cloud Kingdom, learners begin the day with enthusiasm, follow rules responsibly, learn joyfully, help each other, and end the day with bright smiles and happy hearts.

Joyful Arrival

Joyful arrival set a cheerful tone with freeze dance, music, and playtime. Different ways like songs and movement made learning fun. Children felt excited, happy, and ready to start the day.

Our Learning

Math

Students delved into mathematical concepts through an engaging hands-on activity using colourful manipulatives such as counters, cubes, and number cards. Through this interactive session, they built numbers, solved addition and subtraction problems, and compared quantities in a fun and visual manner. The use of manipulatives helped bridge abstract ideas with real-world understanding, fostering teamwork, problem-solving, and active participation. The activity not only deepened their conceptual grasp but also made learning Mathematics exciting and meaningful!

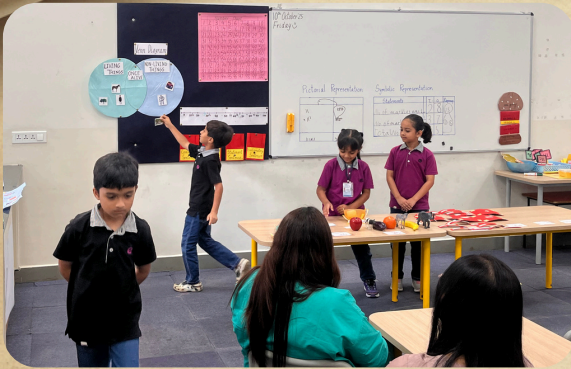

Language

Students participated in engaging English Language activities that strengthened their reading, writing, listening, and speaking skills. Through storytelling, word games, and creative writing tasks, they expanded their vocabulary and expressed their thoughts with confidence. Interactive sessions such as picture composition, role play, and phonics games made learning joyful and meaningful. These activities nurtured imagination, enhanced communication skills, and fostered a genuine love for the English language.

Our Learning

Sciences

Our young scientists have been actively exploring the world around them through fun, hands-on Science activities. They observed, questioned, and discovered how things work in nature. Through simple experiments, model-making, and observation walks, students learned about plants, animals, weather, and the five senses. These interactive experiences nurtured their curiosity and helped them connect classroom learning to the real world. Science truly came alive as they explored, experimented, and experienced the joy of discovery!

Global Perspectives

Learners are cultivating an awareness of the world around them through Global Perspectives. This term, they investigated diverse cultures, communities, and environments, learning to appreciate both similarities and differences. Through engaging discussions, stories, and hands-on activities, students developed empathy, co-operation, and open-mindedness. Each lesson inspired them to think critically, care deeply, and act kindly, nurturing responsible global citizens prepared to make a positive impact in their world.

Our Learning

Hindi

हिंदी दिवस" के शुभ अवसर पर विद्यार्थियों ने भावपूर्ण कविता प्रस्तुति के माध्यम से अपनी भाषा-अभिव्यक्ति, श्रवण एवं कथन कौशल को निखारा।
हिंदी भाषा सीखने की प्रक्रिया को रोचक बनाने हेतु विद्यार्थियों ने नए शब्दों का ज्ञान अर्जित किया और उन शब्दों के अर्थ, प्रयोग एवं संदर्भों पर विचार-विमर्श किया।

Gujarati

ન, મ, ગ, જ જેવા મૂળાક્ષરોમાંથી શબ્દ અને પછી વાક્ય રચતા શીખીને ત્વચ્છુ નાનકડા શીખનારોએ ભાષાની દુનિયામાં નવી શરૂઆત કરી!
મજા ભરેલી વાર્તાઓ અને પ્રવૃત્તિઓએ તેમના LSRW કૌશલ્યો (Listening, Speaking, Reading, Writing)ને મજબૂત બનાવ્યાં છે. સાથે-સાથે તેમની ભાષાકુશળતા અને સર્જનાત્મક શક્તિ પણ ખીલી ઉઠી છે!

Our Learning

French

Bonjour!

French sessions opened a window to a new language and a vibrant culture. Students learned to count, name colours, and introduce their loved ones in French. With rhythmic songs, playful activities, and lively greetings, they celebrated the joy of learning a global language.

ICT

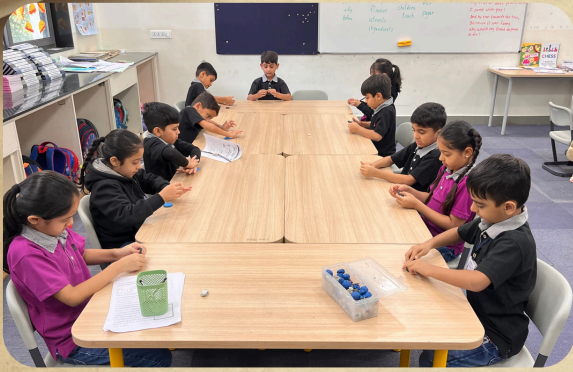

ICT Adventures in Grade 1!

Our learners explored how to stay safe and kind online while being responsible digital citizens.

The excitement doubled as they began coding with Angry Birds, Rey, and BB-8—learning to give simple instructions like real programmers!

Our Learning

Arts

Our students painted their imagination on paper as they explored shapes, lines, and patterns. Each design told a story of curiosity, creativity, and joy—where colours and ideas danced together in perfect harmony!

Sports

From kicking footballs to serving volleyballs and batting in cricket, our Grade 1 athletes embraced every sport with joy and determination. Their time on the field nurtured teamwork, strength, coordination, and a love for active play—proving that sports build not just strong bodies, but strong spirits too!

Our Learning

Karate

With sharp focus and a strong spirit, our Grade 1 Karate learners embraced each move with enthusiasm. Through discipline, respect, and practice, they discovered their inner strength—proving that Karate shapes not just muscles, but character and confidence too!

Yoga

With steady breaths and peaceful smiles, our Grade 1 yogis embraced each asana with grace. Yoga became a journey of balance, mindfulness, and inner calm—strengthening not only their bodies, but also their hearts and minds.

Our Learning

Lego

With curiosity as their guide, our innovators stepped into the world of LEGO Robotics with KUBO. They coded, built models, and solved challenges with teamwork and imagination. Each session sparked creativity, logical thinking, and a love for technology—showing that learning can be both playful and powerful!

Music

Music brought magic into our young musicians as they sang Baal Geet with rhythm, joy, and expression. Each song helped them connect to culture, feel the music, and share happiness with others—turning the classroom into a space of harmony, creativity, and musical delight.

Assembly

The students of Grade 1F presented a vibrant and joyful assembly on the theme "Navratri." The celebration began with a warm welcome by the anchors, who explained the significance of the festival—nine nights of prayer, colours, music, and the victory of good over evil. The highlight was a lively Gujarati role play depicting the story of Mahishasura and Goddess Durga, showcasing courage, strength, and righteousness.

The "Colours of Navratri" segment filled the stage with brightness as children shared the meaning of each colour, from peace and strength to joy and compassion. The performance on how Navratri is celebrated across India—from Garba and Dandiya in Gujarat to Durga Puja in West Bengal—brought out India's cultural unity. The assembly concluded with the message that light always triumphs over darkness, leaving the audience inspired and festive.

— Team Grade 1 – Cloud Kingdom

Celebrations

Saraswati Puja

The new academic session began with the serene celebration of Saraswati Puja. Students offered prayers and flowers to seek the blessings of Goddess Saraswati. The day filled the school with positivity, peace, and the promise of a year filled with joyful learning and new beginnings.

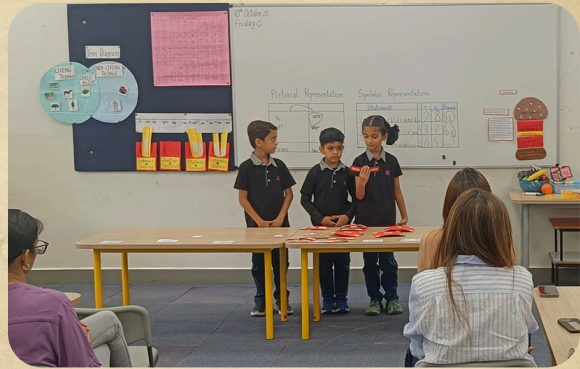

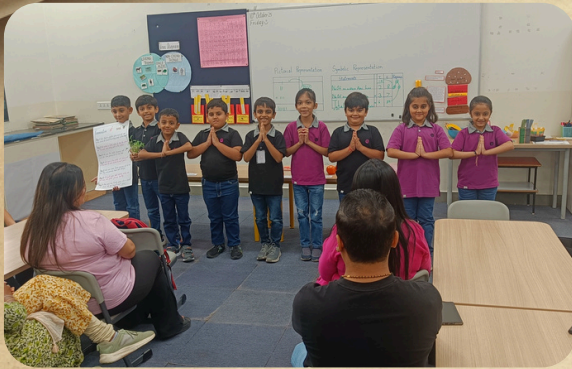

Independence Day

This year's Independence Day celebration carried a beautiful theme — Kindness Week. Our young learners spent the days spreading kindness by thanking the *maasis*, helping teachers, and appreciating their friends. Through these small yet heartfelt actions, they discovered that freedom shines brightest when shared through empathy, love, and care for others.

Celebrations

MLV

During the Making Learning Visible presentation, students showcased their learning from Term 1 through engaging activities and hands-on demonstrations. They confidently shared their understanding with parents, turning learning into a joyful experience filled with creativity, curiosity, and pride.

Young Leaders

The learners of Cloud Kingdom proudly presented their understanding of the Four Habits from Leader in Me (LIM), reflecting on how these habits help them grow as confident and responsible individuals. Each child spoke with clarity and enthusiasm, sharing real-life examples of how they practice being proactive, setting goals, working together, and listening with care. Their presentation beautifully highlighted how these habits guide them to become young leaders both in and out of the classroom.

Class Shoutouts

Izaan Panjwani

A big shout-out to our imaginative thinker! ✨ Your quick presence of mind and unique ideas always stand out. You think beyond the ordinary and inspire others with your creativity. It's amazing how you find smart solutions and add a spark of originality to every task. Keep exploring, imagining, and shining bright! 💡 ✨

Aarya Patel

Mic drop moment for our expressive artist! 🎤 From being hesitant to share her thoughts to now confidently expressing herself—what a wonderful journey of growth! Your courage and confidence shine brighter each day. Your artistic illustrations beautifully reflect your creativity. Keep polishing your skills and continue inspiring us with your talent! 🎨

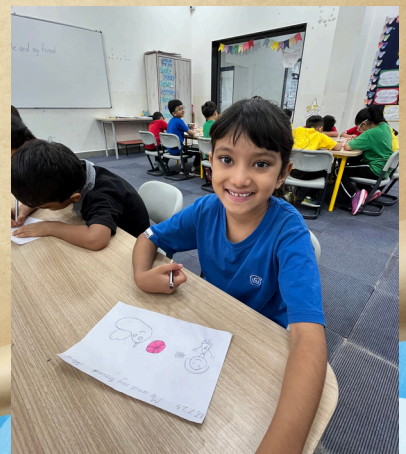

Shaurya Sarvaiya

Round of applause for our sporty superstar! 🏆 He joined us a little later but quickly caught up with great enthusiasm. A fast learner with a bright smile, he's grown from a shy beginner to a bubbly, confident, and positive presence in class. Keep shining and spreading your cheerful energy! ✨ ✨

Nirvi Kothari

Here's a cheer for our shining spark! 🌈 You take on every challenge with ease and confidence. Your independence and determination truly stand out. Along with your beautiful handwriting, your work always reflects care and excellence. Keep up the amazing effort—you're an inspiration to everyone around with your balanced and brilliant approach! ✨

Fun Zone

Think Zone

Riddle 1

I have numbers on my face and two hands that move.
I tell you when it's time for class.

Riddle 2

I open when it rains and close when it's sunny.
I help keep you dry.

Book

Book of the Month:

'Ebb's New Friend' by Laura Mucha and Lauren Ace is a story where Ebb learns about friendship, sharing, and love. A gentle story that helps children understand emotions, kindness, and the joy of making new friends.

Movie

Movie of the Month

The movie 'Best Friends' is a beautiful film that highlights the importance of communication, empathy, and friendship. It encourages children to express their feelings and cherish the bonds they share.

Upcoming:

- Night Out on 05.12.25
- Poetry Fest on 08.12.25
- Day Out on 19.12.25
- Christmas Celebration on 24.12.25

Reminder:

Remember to read a book for at least 20 minutes daily! Keep the spark alive—hop onto Mind Spark every week!

Student Reflections

"I love coming to my classroom because it's so colourful and fun! I like learning new things and reading stories with my teacher. I enjoy playing and doing activities with my friends. When I was in K2, I was shy, but now in Grade 1, I can talk, share, and even read big words!"- **Geet Jain**

"When I come to class, I feel excited because every day we learn something new. I love reading stories, solving math problems, and working with my friends. I have become more confident and love sharing my answers during class time!"- **Rajveer Dhiren Nathwani**

From the Teachers' Desk

Dear Parents,

As we step into Term 2, our hearts are filled with pride seeing how beautifully our Cloud Kingdom learners have grown. The past term was filled with joyful "aha!" moments, discoveries, laughter, and learning that made every day truly special.

We have seen our young learners become more confident, expressive, and curious—eager to read, explore, solve challenges, and support one another. Their enthusiasm reminds us that learning is most meaningful when it is filled with joy and imagination. With Term 2 beginning, we look forward to more smiles, stories, and milestones. New adventures await, and we are excited to see our Cloud Kingdom children continue to rise and shine.

Thank you, dear parents, for your constant support and partnership. Stay tuned for our upcoming newsletter as we bring you more glimpses of learning, laughter, and love from our Grade 1 Cloud Kingdom classroom!
