

KIND KINGDOM

June - July Issue

A Warm Welcome from the Class Teachers

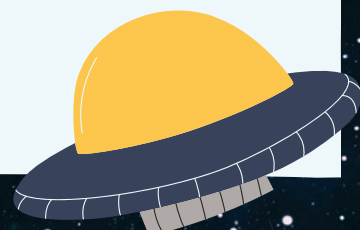

Dear Parents and Learners,

Welcome to another exciting chapter in our Kind Kingdom! We are delighted to share the wonderful learning experiences, joyful moments, and special achievements of our Grade 2 learners.

Over the past few months, our classrooms have been filled with curiosity, creativity, collaboration, and lots of smiles. Our young learners continue to explore new ideas, learn from one another, and grow into confident, responsible, and caring individuals.

Together, let us make every learning experience meaningful, joyful, and memorable for our little learners!

With warm wishes,
Team Kind Kingdom

A peek into our classrooms

Every morning in Kind Kingdom begins with a cheerful routine that helps our learners settle in and prepare for the day.

Our quiet reading nook is a cosy space where children enjoy exploring books, building their reading habits, and getting lost in wonderful stories.

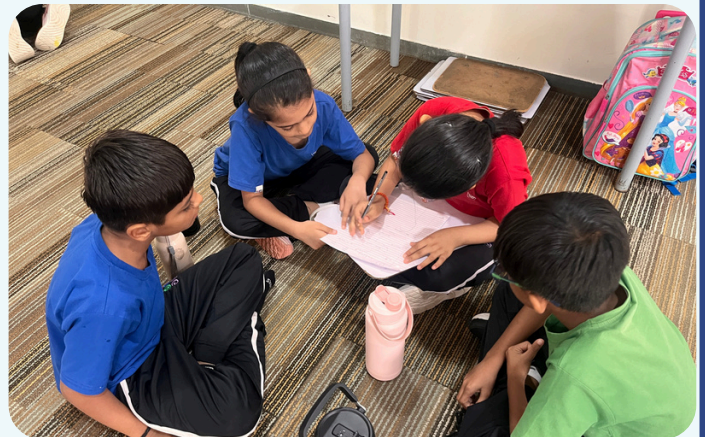

Our classroom jobs help learners take responsibility and contribute to our classroom community. From organising materials to helping friends, our little learners are always ready to lend a hand!

A Visit to a Farm

Our farm visit was a wonderful opportunity for our Kind Kingdom learners to step outside the classroom and learn through real-life experiences. They explored the farm, observed different plants, and discovered more about how food is grown and where it comes from. The children saw brinjals, okra, dates, pomegranates, and other plants growing on the farm. They were curious, excited, and eager to share their observations in their DJ Writing. It was a joyful day filled with learning, exploration, and memorable moments!

Reading programme launch

Our Reading Programme took off with an exciting theme, 'Travel Through Reading'. Students explored a wonderful collection of books and discovered new worlds waiting to be explored. Each learner had the opportunity to choose a book that sparked their interest and begin their reading journey in class. Each classroom also has a reading corner filled with a variety of books, providing learners with opportunities to explore different stories and choose books based on their interests. It was lovely to see our little readers make their own choices, share their excitement, and get lost in the pages of their chosen books!

Beginning the Year with Saraswati Puja

We began our new academic year with the blessings of Saraswati Puja, celebrating the spirit of learning, knowledge, wisdom, and creativity. Our learners came together to mark this special occasion with joy and reverence. It was a beautiful way to begin our journey in Kind Kingdom, reminding us that every new year is an opportunity to learn, grow, and discover something wonderful together.

Guru Purnima celebration

Our Kind Kingdom learners celebrated Guru Purnima by reflecting on the importance of teachers, mentors, and everyone who guides us on our learning journey. The children expressed their gratitude through thoughtful activities and heartfelt messages of appreciation. It was a beautiful reminder that learning grows through the guidance, encouragement, and kindness of those who help us become our best selves.
